Re: *Chris Sforza v. City of New York, et al., 07 Civ. 6122 (DLC) (MHD)*

Your Honor:

The Court had directed the parties to submit a status letter by today's date. Unfortunately, Mr. Clark's e-mail system has been bouncing all of my e-mails for several days now, making it very difficult for the three attorneys to communicate and circulate drafts of the letter. Ms. Scharfstein and I have conferred and now respectfully request a one week extension in which to provide the status letter to the Court. I also left a voicemail for Mr. Clark, but have not heard back from him. I have no reason to think that he would not join in the request for an extension of time.

Thank you for your consideration of this request.

Respectfully,

*Rose M. Weber*
